

ESPRESSO COFFEE MACHINES

2 & 3-group

STEAM **X**

Slayer Steam X represents a culmination of ten years in dedication toward craftsmanship and the design of advanced barista tools. Bar flow and easy maneuvering throughout beverage production were a driving force of the barista interface. Featuring advanced dual volumetrics for shot extraction, impeccable design and durability. Steam X is a top performer and value add contender for businesses that rely heavily on consistent, high volume beverage production.

Classic 9-bar Extraction

Volumetric and semi-automatic operation

Electronic Steam Solenoid Valve

A quick, efficient valve designed to speed up the steaming workflow with purge function

Barista Dashboard

Digital control board features back flush, timers, and access to all parameters

Dura-Tex™ Accents

Long-lasting material used on the cup rail, portafilter handles and brew/steam actuators

Adjustable Height Drain Tray

Four distinct positions, large workspace

Wing Leg Channels

Keep wires and hoses hidden from view

Features

- Independent brew tanks
- PID temperature control, adjustable in 0.1° increments
- Electronic group head rated to 1 million cycles
- Dual-Volumetric, two volumetric settings per group
- Enable Auto Purge, a two second water flush to maintain cleanliness between extractions
- Commercial portafilter with 58-millimeter, 18- gram basket
- Hot water tap with mixing valve
- Non-slip feet
- External rotary pump
- Centralized heads-up Barista Dashboard™
- Intuitive, password-protected menus
- Soft-touch steam actuators and portafilters
- Massive work surface
- 4 different color options with super polished aluminum wings. Sly Blue , Crimson Red , Bone Beige & Galaxy Black

Specifications for 2 group

- Width: 34 inches / 86.5 centimeters
- Length: 27.75 inches / 70.5 centimeters
- Height: 16.75 inches / 42.5 centimeters
- Weight: 220 pounds / 100 kilograms (tanks filled)
- Brew tanks: 1.7 liters, 600 watts
- Steam tank: 7.4 liters, 3,500 watts
- Single-phase power: 200-260 volts AC, 50/60 hertz, 26 amps
- Three-phase power (optional): 380-400 volts AC, 50/60 hertz, 17 amps

Specifications for 3 group

- Width: 43.5 inches / 110.5 centimeters
- Length: 27.75 inches / 70.5 centimeters
- Height: 16.75 inches / 42.5 centimeters
- Weight: 305 pounds / 139 kilograms (tanks filled)
- Brew tanks: 1.7 liters, 600 watts
- Steam tank: 12 liters, 4,500 watts
- Single-phase power: 200-260 volts AC, 50/60 hertz, 35 amps
- Three-phase power (optional): 380-400 volts AC, 50/60 hertz, 22 amps
